

DEVILLE COFFEE

Tenant

Situation: We met with founders Mark and Paul of Deville Coffee who had two locations, but were losing one to a redevelopment of a property. We were engaged to source a replacement location and found and secured a location at the Petex building.

Result: From the success at Petex we represented and assisted with their expansion to a plus 15 location at 333-5th Avenue SW, followed by 600-6th Avenue and then their first location to the Suburbs at Market Mall. We continued to work with Mark and Paul until they sold to 98 Foods.

Locations: 333 +15 LEVEL (333 5th Ave SW), SIXTH AVENUE (600 – 6th Ave SW), CITY CENTRE (215 2nd St SW), MARKET MALL (3625 Shaganappi Trail NW), BROOKFIELD PLACE (Level 1 - 225 6th Ave SW)
